**KEYNOTE SPEAKER: DEA SPECIAL AGENT**

**MARK P. WARPNESS**

DEA Special Agent Mark P. Warpness has been with the DEA for almost 24 years. During his career he worked in the DEA Demand Reduction Program (Prevention) for five years and is currently assigned to the DEA-Chicago Field Division's Tactical Diversion Squad.

His keynote presentation will address:

- \*The facts about heroin (source countries, trafficking/smuggling methods);
- \*The myths that most Americans believe about drugs (why we have a problem); and
- \*Communities' response to drug abuse and drug prevention (what we can do!).

Summit activities will include presentations from experts, and collaborative county-wide group discussions to tie it all together.

The goal of the summit is to bring together community partners, educators, law enforcement, health experts, social service providers and other stakeholders committed to the growth and prosperity of Porter County. Please join us!

There will be three break-out sessions:

- ⇒ Education/Prevention  
Parents and Educators
- ⇒ Intervention/Treatment  
Treatment Providers,  
Probation, Intervention  
Programs
- ⇒ Law Enforcement
